Ponderings on the Tongue

Some men have a tongue as rough as a cat's, and biting as an adder.
If you have a good temper, keep it. If you have a bad temper, don't lose it!
Gossip is something negative that is developed and then enlarged.
The reason a dog has so many friends is that he wags his tail instead of his tongue.
The tongue was intended for an organ of divine praise; but the devil often plays
upon it, and then it sounds like the screech-owl.
A poisoned tongue is harmless without a receptive ear.
A narrow mind and a wide mouth makes a dangerous combination.
A religious critic is a person who cannot function until someone does a work he can pass judgment on.
There is no such thing as "idle gossip". Gossip is always a busy-body.
It is better to say a good thing about a bad fellow than to say a bad thing about
a good fellow.
One word "whispered" will ruin a reputation, embitter a whole life, break a
family's heart, or even cause suicide.
Avoid the devil's dimensions: A narrow mind, a low heart, a closed fist,
a wide open mouth, and a high head.
Every time you speak, your mind is on parade.
Someone has said that a man who believes it all right to tell "little white lies"
soon becomes color blind.
It is easy to find fault; appreciation requires intelligence and character.
For good or ill, your conversation is your advertisement. Every time you
open your mouth, you let men look into your mind.
"He who keeps his mouth and his tongue keeps himself out of trouble."

PRAY CONTINUALLY:

Remember to continually pray for those in our number who have ongoing health issues: Lari Crowder, Monica Clark and Bruce Morgan, Marilyn Robinson, Sheila Doan's nephews, Kenneth, Tony and Mike Frasier, and GW and Minn Rose Peoples and Vicki Garcia Jones.

Monica requested prayers for *Jana Crow*, she had a heart transplant and now her body is rejecting the heart. She needs lots of prayers because her health is declining very fast.

Please remember Bruce Morgan and Monica Clark in your prayers.

The doctors have changed the diagnoses for Lester Humphreys' great niece, *Shelby Young* to a cyst that she has had since birth. She will not need further treatment. Thank you for all the prayers.

Please keep Marilyn Robinson in your prayers, she has a blood clot in her wrist and the doctor will need to try some other procedures to dissolve the large clot and may have to pick another place on her arm for her dialysis.

Vicki Garcia Jones tests were not as good this past Monday when she had her checkup, her white blood cell count was up to 9.8, up 2%. Please keep her in your prayers.

Tony Alan Pribble was admitted to ICU at Lake Point Hospital on Thursday with fluid on his lungs and congestive heart failure. On Saturday he was moved to a room and is scheduled for an AV Node Ablation on Monday to get his heart back in rhythm. It's a very scary procedure as he has a defibrillator in his chest. Please continue to pray for Tony Alan and Kaye, Tony, Pauline and all the family.

Teddi Bass, Matthew Vignes's pre-school teacher in San Angelo, is having major heart issues and they are asking for prayers for her.

Josh Snow, a friend of Samantha and David Vignes, had a brain tumor when he was 4 years old and now it has come back with a vengeance. Please, let's all pray hard for this young man, that he may beat this terrible diagnosis again.

Please join us for Ladies Bible Class every Wednesday morning from 10:00am to 11:00am. We meet at Pauline Pribble's house at 5944 C.R. 2516, Royse City.
