PRAY CONTINUALLY:

Remember to continually pray for those in our number who have ongoing health issues: Lari Crowder, Monica Clark and Bruce Morgan, Marilyn Robinson, Sheila Doan's nephews, Kenneth, Tony and Mike Frasier, and GW and Minn Rose Peoples and Vicki Garcia Jones.

Monica requested prayers for Jana Crow, she had a heart transplant and now her body is rejecting the heart. She needs lots of prayers because her health is declining very fast.

Please remember Bruce Morgan and Monica Clark in your prayers.

Please keep Marilyn Robinson in your prayers, she has a blood clot in her wrist and the doctor will need to try some other procedures to dissolve the large clot and may have to pick another place on her arm for her dialysis.

Vicki Garcia Jones is going to Houston today for another bone marrow test on Monday. They will check her white blood cell count and the cancer level in her blood. Please keep her in your prayers.

Teddi Bass, Matthew Vignes's pre-school teacher in San Angelo, is having major heart issues and they are asking for prayers for her.

Josh Snow, a friend of Samantha and David Vignes, had a brain tumor when he was 4 years old and now it has come back with a vengeance. Please, let's all pray hard for this young man, that he may beat this terrible diagnosis again.

Karen Ogden asked for prayers for her sister, LaJuana McCracken, she was hospitalized with pneumonia then again with a stroke. Also Karen's niece is having serious issues with her daughter Alyssa and her mother-in-law, Jackie Martin has colon cancer and is having complications with her chemo. Please pray for all of Karen's family members.

Please keep Tony Alan Pribble in your prayers
