

Please send your contribution checks to Paula's house –
Paula Blake/ Union Valley church of Christ,
6004 C.R. 2516,
Royse City, TX. 75189.

She will deposit them in the church's bank account. The repairs on the building will start April 13th and we need to pay for these repairs if we want to get back in our auditorium.

Due to the pandemic, we will not be able to have a birthday party for my dad's 90th birthday. His birthday is April 12th which is Easter Sunday. In lieu of the party, I'm asking everyone to send a card to him at my address this week and I'm going to wrap them in a box for him to open. Please send cards to: Tony Pribble

PRAY CONTINUALLY:

Remember to continually pray for those in our number who have ongoing health issues: Lari Crowder, Monica Clark and Bruce Morgan, Marilyn Robinson, Sheila Doan's nephews, Tony and Mike Frasier, and GW and Minn Rose Peoples and Vicki Garcia Jones.

Monica requested prayers for Jana Crow, she had a heart transplant and now her body is rejecting the heart. She needs lots of prayers because her health is declining very fast.

Please remember Bruce Morgan and Monica Clark in your prayers.

Marilyn Robinson's new surgery site is still not doing very good, still painful and bruised, and the doctor is not happy with the way it looks. The original site on her wrist was infected and the doctor started her on antibiotics. Please keep Marilyn in your prayers, she is still having so many problems with her arm.

Vicki Garcia Jones is going back to MD Anderson for blood work on Monday. Her white blood count is very high at 11.2. Hopefully they will start her on a new test medication soon. Please keep her in your prayers.

Peggy and Boice have both been having health issues. Please keep them in your prayers.

Our First Sunday potluck will change to Second Sunday Potluck but it is cancelled until further notice.

The pantry items will resume when we are able to have church services.

Our next Sunday Night Supper Club is cancelled until further notice.

As we are not able to be together at this time, we need to communicate more with each other and keep in touch so we know when others are having problems in their lives or just need our prayers. Please call, text or email me with anything that you feel we need to be praying about or if you are just having issues and I will send an email and also send anything you need added to our bulletin.

The small company Kelly Elander works for is struggling and he was "furloughed." However, even if his company survives (it is a small management training company), we don't think they will need to have someone write new courses when they are up and running again, at least not for a long time.:(Unfortunately, training is not something that people hire right away for even when an economy picks up so we're not sure what the future holds for us. We can only trust the Lord to work it out even if it means a new career.

Also, the sale of our Arkansas house on April 20 fell thru so we still have 2 mortgages, and of course no one is buying right now. We can't afford to hire people to mow anymore (it's a big yard) so we will drive over once a month to do it ourselves. Please keep our drives (5 hrs each way) and eventual house sale in prayer too. Thank you so much!

Please let's all pray for our new members, that Kelly finds a great job and their house sells very soon.
